

## YOUR CARE

### Who are our Primary Care Physicians?

Commonwealth Care Alliance contracts with community-based health centers and physician practices that are experienced in serving elder populations. We offer enrollment to elders through primary care practices in many areas of the state.

### Special features of the program:

- Individualized care plans to address members' specific care needs
- The ability to receive care and support services in members' own communities
- Complete health care services, including pharmacy, in-home services, and long-term care supports when a primary care physician/primary care team sees they are needed
- Flexibility to remain at home with needed care and supports rather than be admitted to a hospital or nursing home
- Professionals to help ensure that everyone involved in providing care is working together to promote members' health
- 24 hour/7 days a week access to professional staff with knowledge about members' care
- Active involvement in care decisions by members and their families
- A centralized record of the members' health and medical information

## ENROLLMENT

### Requirements for enrollment

Potential enrollees must:

- be at least 65 years old
- be a Massachusetts resident living in our service area\*
- have Medicare and MassHealth Standard, or just MassHealth Standard alone

\*To learn more about this program, please call us.

**Enrollment in this program is voluntary**

## MEMBERS

### Member Responsibilities:

- ☑ Select a primary care physician from our list of participating doctors
- ☑ Agree to receive all services through providers linked to the doctor you have enrolled with (except for emergency and out of area urgent care services)
- ☑ Agree to receive services within our contracted provider network (except for emergency and out of area urgent care)

# SENIOR CARE OPTIONS

## THE PROGRAM

The Commonwealth Care Alliance Senior Care Options HMO program is a comprehensive health plan that provides all the services covered under Medicare and MassHealth, and other benefits **if determined necessary by the primary care team**. Services are coordinated by the team and are accessed through its preferred provider network.

### Some of the program's services:

- Prescription drugs with no co-pay
- No co-pay for over the counter medications
- Eye glasses and hearing aids
- All necessary dental services
- Podiatry services
- Companion services
- Transportation and interpreters
- Durable medical equipment
- Prosthetics and orthotics
- Care management services

### Why Choose Commonwealth Care Alliance?

We are committed to giving our members the health care and support services they need, and to promoting our members' involvement in decisions about their health needs.

**The Commonwealth Care Alliance Senior Care Options HMO program aims to help elders stay as independent as possible for as long as possible.**
