

**Commonwealth Care Alliance Senior Care Options Program (HMO)
2010 Monthly Plan Premium for People who get Extra Help from Medicare to Help
Pay for their Prescription Drug Costs**

If you get extra help from Medicare to help pay for your Medicare prescription drug plan costs, your monthly plan premium will be lower than what it would be if you did not get extra help from Medicare. All Senior Care Options members automatically qualify for the 100% level of extra help from Medicare.

As a member of our Plan, you pay a \$0 premium. Because all Senior Care Options members must be eligible for Medicaid, you do not have to pay out-of-pocket costs for premiums, deductibles, co-payments, and coinsurances.

This table shows monthly plan premiums at different levels of extra help.

Your Level of Extra Help	Monthly Premium for Commonwealth Care Alliance
100%	\$0
75%	\$8.64 (Does not apply to SCO members)
50%	\$17.29 (Does not apply to SCO members)
25%	\$25.93 (Does not apply to SCO members)

Senior Care Options' premium includes coverage for both medical services and prescription drug coverage.
